## IMPORTANT DATES

- FAFSA Application: February 14, 2014
- DFI Application: February 17, 2014
- Dates of Illinois Residency: February 2011 to February 2014
The Diversifying Higher Education Faculty in Illinois Program (DFI) was established by the Illinois General Assembly and signed as Public Act 093-0862 on August 4, 2004. The purpose of DFI is to provide Fellowships to students pursuing post-baccalaureate degrees as part of the state’s effort to diversify the faculties and professional staffs at Illinois higher education institutions.

Due to the state’s budget condition and the uncertainty of the FY2015 state budget, the DFI Program Board is uncertain of the exact amount of the Fellowship award. The DFI Program Board is committed to full funding. In FY2014, new Fellows were awarded $10,500 awards and renewal Fellows were awarded $15,000 awards. Program funding for the 2014-2015 academic year (FY2015) is contingent on the availability of funds appropriated by the Governor and Illinois General Assembly.

Completed applications are to be submitted to the Institutional Representative at your participating institution (http://www.ibhe.org/DFI/instRep.asp) by the due date.

*Please note that information and requirements contained in this document are subject to modifications by the DFI Program Board, as incorporated in the DFI Program administrative rules.

DFI provides financial assistance, based on demonstrated financial need, for members of traditionally underrepresented groups to pursue and complete graduate degrees at Illinois institutions of higher education. DFI is a program for graduate students traditionally underrepresented in higher education who have received high school diplomas or postsecondary degrees from educational institutions in Illinois or who have three or more years of residency in Illinois and are citizens or permanent residents of the United States. Applicants compete in a statewide competition for DFI awards at over 30 Illinois institutions. Selection of award recipients in this rigorous competition is based on a comprehensive review of the application materials. All academic fields at the master’s and doctoral level will be considered for this award, however, the DFI Program Board has established the following priorities: applicants interested in obtaining a full-time instructional position in Illinois higher education; applicants pursuing degrees in any of the sciences, technology, engineering, or mathematics (STEM) fields; and applicants pursuing a doctorate or other appropriate terminal degree. Stipend levels are subject to appropriations by the Illinois General Assembly. **Full-time enrollment is required while on fellowship.** Some participating institutions also provide a tuition waiver/scholarship. Applicants should check with the DFI Institutional Representative for specific information. The award is renewable for one year for master’s students and up to three years for doctoral students, contingent upon the recipient making satisfactory academic progress toward completion of the degree. Renewal definitions also are subject to revision by the DFI Program Board and administrative rules.

GENERAL INFORMATION

Terms of the Award

Upon graduation or separation from the DFI institution, an award recipient must agree to actively seek and accept, when offered, a teaching or non-teaching full-time appointment at an Illinois postsecondary educational institution, or accept a position as an employee of this state in an administrative, educational-related position equal to the number of years for which he or she receives the DFI fellowship. Students failing to fulfill this condition of the award shall be required to repay 20 percent of their cumulative award amount, subject to revision by the DFI Program Board.

The DFI Award is available for a maximum of four years:

- Master’s (2) years, Doctorate (2) years; or
- Doctorate (4) years

A Fellow can only receive two years of Master’s-level funding and two years of Doctorate-level funding, or four years of Doctorate-level funding. The DFI award is available for a maximum of four years.

Participant Eligibility

Applicants must meet the following eligibility criteria:

- **ILLINOIS RESIDENCY:** To be classified as an Illinois resident, an applicant must have received a high school diploma or postsecondary degree from an accredited educational institution in Illinois or have three or more years of residency in Illinois.

- **UNDERREPRESENTED GROUPS:** “Traditionally underrepresented minority group” means any of the minority groups designated in the Act which are represented in Illinois post-baccalaureate enrollment at a percentage rate less than the percentage of the minority group’s representation in the total Illinois population. New for the 2014-2015 application year, Pacific Islanders are now considered an eligible underrepresented group and can apply for a DFI Fellowship.

- **ACADEMIC ABILITY:** Applicants must possess above average academic ability as evidenced by:
  
  1. An earned baccalaureate degree from an accredited institution of higher learning;
  2. A minimum grade point average of 2.75 (scale 4.0 = A) in the last 60 hours of undergraduate work or over a 3.2 (scale 4.0 = A) in at least 9 hours of graduate study;
  3. Unconditional admission to a post-baccalaureate degree program.

- **ACADEMIC PURSUIT:** Applicants in all academic disciplines are eligible. Candidates pursuing degrees in any of the sciences, technology, engineering or mathematics (STEM) fields are encouraged to apply, and will receive priority consideration. Applicants must be pursuing a doctorate, terminal master’s, or master’s degree.

- **FINANCIAL NEED:** Applicants must demonstrate financial need. A FAFSA must be filed each year (by February 14, 2014) to maintain eligibility.
GENERAL APPLICATION PROCEDURES

1. DFI applications will not be accepted without an online registration that determines initial eligibility. Please send your registration sheet with your application.

2. The DFI application and required attachments must be submitted directly to the DFI Institutional Representative at the institution the applicant plans to attend* no later than February 17, 2014 or by the internal deadline set by the applicant’s institution.

3. Applications (or attachments) sent directly to the DFI Administrative Office in Springfield by the applicant will not be considered.

4. Applicants must respond to every item on the DFI Application Form.

5. Incomplete applications will not be considered.

6. Applicants should check with their DFI Institutional Representative for internal deadlines and any additional information on admission or application procedures.

*Applicants must be unconditionally admitted to the institution at the time of application.

Proof of Admission

Applicants must be unconditionally admitted to a degree-granting program at the time of application. Applicants admitted probationally or on limited status due to GPA or test scores will not be considered. Proof of admission is demonstrated by including an official letter of admission on institutional letterhead. (Copies are acceptable.)

Financial Need

1. Applicants must read and complete the Financial Information Form, the Notification of Special Circumstances Form, and provide federal tax forms upon request.

Letters should be addressed to the DFI Institutional Representative and speak to the applicant’s potential to reach his/her intended professional goal(s), including potential to secure a full-time position in a State of Illinois institution of higher education.

**Transcripts and Grades**

Only official transcripts will be accepted. Transcripts are considered official if received by the Institutional Representative in a sealed envelope from the attending institution.

**Standardized Test Scores**

Most departments require that applicants take standardized examinations (e.g. GRE, MAT, MCAT) for admission. If the applicant’s academic program requires such test scores, proof of the test scores must be submitted. Copies of official scores are acceptable.

**Due Dates**

Applications should be submitted to Institutional Representatives on the date established by the Representatives and no later than **February 17, 2014**. (The applicant must contact the institution he/she plans to attend to determine if there are internal application deadlines.)

Each campus will determine which applications to send forward to statewide selections committee.

FINANCIAL INFORMATION FORM

The Diversifying Higher Education Faculty in Illinois Program is a financial needs-based fellowship. All applicants are required to complete the Free Application for Federal Student Aid (FAFSA), which is a standard among all postsecondary institutions in determining financial need.

You may complete the FAFSA online at www.fafsa.ed.gov. It will take approximately 30 to 45 minutes to complete the form. Be sure to follow the directions carefully and have the required documentation on-hand that is necessary to complete the form correctly. You also may complete a FAFSA Renewal Application at this site if you submitted a FAFSA last year. If you choose to use a Renewal FAFSA, you will only need to provide current answers to financial and tax questions. You also must update any information that has changed since last year. According the FAFSA website, you will need the following documentation to complete the form correctly:

* Student’s driver’s license and Social Security card;
* W-2 Forms and other records of money earned in 2013;
* 2013 income tax return (IRS Form 1040, 1040A, 1040EZ; Trust Territory tax; return; or foreign country tax return);

* Current bank statements;
* Current mortgage information for businesses and investments;
* Business and farm records;
* Records of stocks, bonds, and other investments.

Two weeks after completing the online FAFSA, you may follow up on their website to receive your Student Aid Report (SAR), which contains your Expected Family Contribution (EFC). Financial need is the difference between your EFC and your school’s cost of attendance (which can include living expenses), as determined by the school.

You also may complete the FAFSA or FAFSA Renewal manually by obtaining an application from the financial aid office at your institution.

**APPLICANTS MUST COMPLETE THE FAFSA ONLINE NO LATER THAN:**
