Notes:

1) URM stands for Under-Represented Minority and includes American Indian or Alaska Native; Black or African-American; Hispanic / Latino race/ethnicity groups

2) Unreported Gender identification is not shown; Male and Female total may not match Total

3) In rare situations, the "% Yield" columns may be greater than 100. There are three potential reasons for this:
   a) Students that received Graduate College approved transfers may not have an admission record for the program that they enrolled into.
   b) Students with a secondary curriculum enrollment may not have an admission record for that secondary program.
   c) Students who were newly enrolled in the summer term prior to the fall were added to the fall new enrollment totals.
