**Notes:** 1) Non-Degree & Certificate numbers include IBHE and Campus certificates

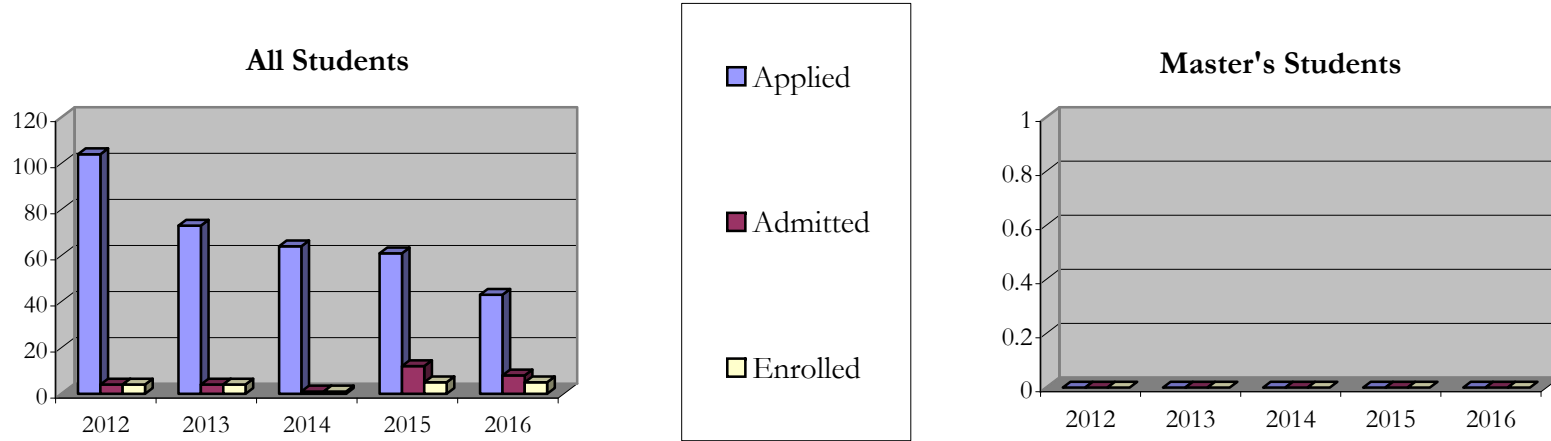

- 2) "N/A" in the "Enrolled to Admitted %" or "Enrolled to Applied %" columns means that the percentage is greater than 100. There are three potential reasons for this:
- Students that received Graduate College approved transfers may not have an admission record for the program that they enrolled into.
  - Students with a secondary curriculum enrollment may not have an admission record for that secondary program.
  - Students who were newly enrolled in the summer term prior to the fall were added to the fall new enrollment totals.
