**Notes:**

- 1) URM stands for Under-Represented Minority and includes American Indian or Alaska Native; Black or African-American; Hispanic / Latino race/ethnicity groups
- 2) Unreported Gender identification is not shown; Male and Female total may not match Total
- 3) In rare situations, the "% Yield" columns may be greater than 100. There are three potential reasons for this:
  - a) Students that received Graduate College approved transfers may not have an admission record for the program that they enrolled into.
  - b) Students with a secondary curriculum enrollment may not have an admission record for that secondary program.
  - c) Students who were newly enrolled in the summer term prior to the fall were added to the fall new enrollment totals.
