Research Interests

Please list scientific areas/disciplines/questions that interest you

Potential UIC Faculty Mentors

List up to three (3) potential faculty mentors that interest you (Name and Department)

Letters of Recommendation

Please list the names of three individuals writing letters of recommendation for you.

How did you hear about UIC PBRC PREP?

Please indicate source

Additional Information Needed

1. Personal Statement: Describe your future training and career goals, and why UIC PBRC PREP will help you achieve your goals. Include a description of your specific research interests and what UIC faculty members might serve as good mentors for you. Describe your academic and research strengths (e.g., previous coursework, research experiences) as well as your personal characteristics that make you a good candidate. Describe the weaknesses that you perceive, and how UIC PBRC PREP will help you improve. 2. Letters of Recommendation: Ask three individuals to directly email their recommendation letter to pbrcrep@uic.edu. These individuals should be able to discuss your academic ability to conduct independent research, evaluate your potential for graduate school, your ability to organize and express ideas clearly, and your potential for critical and analytical thinking. 3. Transcripts: Please email an unofficial copy of your transcripts to pbrcrep@uic.edu.
